AGENDA

A full day of trends, insights and case studies presented by the editors of Event Marketer

8:45-9:00 AM WELCOME/OPENING COMMENTS

9:00-10:00 AM MORNING MODULE 1

- **Fundamental Principles of Experiential Marketing.** The rise of experiential marketing, the current state of face-to-face marketing and the changing strategies inside Fortune 1000 marketing departments.
- **The Psychology of Engagement.** The neurological effect of human connection, the science behind face-to-face engagement and the way the human mind processes live experiences.
- **10 Habits of Highly Experiential Brands.** Born out of an analysis of 10,000 marketing campaigns, our exclusive overview of the 10 common traits shared by the most award-winning experiential marketers.

10:00-10:30 AM COFFEE ROUNDTABLES AND NETWORKING BREAK

- Grab a coffee and sit in on your pick of two back-to-back speed briefings discussing some of the industry's most important operations and logistics challenges. From VR checklists to DOT regulations to staff training and more, you'll walk away with the checklists you need to master event logistics.

10:30-11:00 AM BRAND UNPLUGGED: 30 MINUTES ON EXPERIENTIAL MARKETING WITH AN EXPERIENTIAL MARKETER

- Part Q&A and part case study, this 30-minute interactive session invites you to hear first-hand how experienced industry pros are managing everything from strategy to logistics across their event portfolios. Bring your most burning questions and they will be answered. We wrap it all up with a deep dive into a recent case study that brings all the best practices discussed into context.

11:15 AM-12:15 PM MORNING MODULE 2

- **The 16 Core Types of Event Marketing Campaigns.** Rapid overviews of the top types of events, with insights into the top trends and emerging changes in each.
- **Anatomy of a Brand Experience.** The strategic, "anatomical" breakdown of properly designed, appropriately strategized and correctly calibrated events and experiences.
- **Core Tenets of Experience Design.** The blueprint of great environments, based on interviews with more than 50 professors, design deans and creative directors.

12:15-1:15 PM GES NETWORKING LUNCH

1:15-2:00 PM AFTERNOON MODULE 1

- **Combining Digital and Live.** Tying into interactive technology, virtual reality and augmented reality. Leveraging social media to unite target audiences and amplify experiences. Gamifying live events.
- **Generating Content.** Using live events as content generation platforms, turning over content control/sharing power to event attendees and using events as a feeder of content to the rest of the marketing mix.

2:00-2:30 PM STRATEGIC BRIEF CHALLENGE

- Grab the person next to you and work together on a fun exercise that will get you thinking about all of the skills you've learned so far. We'll provide the strategic brief—you come up with the activation strategy. The winning duo goes home at the end of the day with free full conference passes (a \$1,545 value!) to the industry's premiere technology conference, EventTech.

2:30-3:00 PM COFFEE AND NETWORKING BREAK

3:00-4:15 PM AFTERNOON MODULE 2

- **Measuring the Impact of Experiential Marketing.** How marketers are measuring their events, actual formulas for applying easy metrics to your programs and an overview of how to embrace a "measurement mentality" across your event and experiential campaigns.
- **25 Trends to Bet On: The Experiential Marketing Vocabulary.** End the day with a look at the top 25 trends and keywords impacting the industry in the second half of 2018 and into 2019.

4:15 PM CERTIFICATES AND WINNERS CHOSEN

- Find out if you are the winner of the Strategic Brief Challenge. Grab your Training Camp certificate. Join your new friends and colleagues for a post-camp cocktail. (Details will be announced.)
