THE AGENCY

Barkley Kalpak Agency (BKA) is an award-winning creative agency providing event strategy, design, planning and production. For 25 years, we've created unforgettable, live experiences around the world including conferences, business meetings, executive summits, product launches, press events, upfronts, newfronts and galas.

WHAT MAKES BKA SO DIFFERENT?

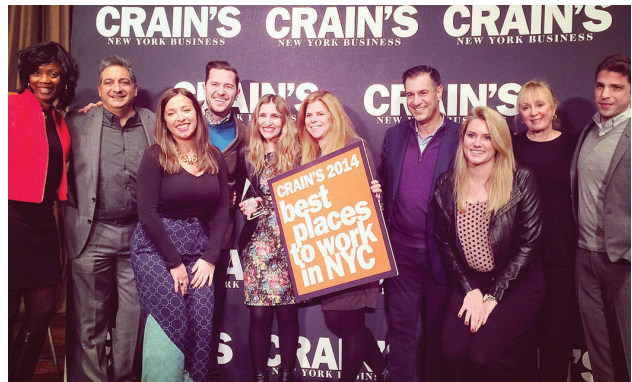

BKA is an amalgam of talented and daring designers, producers, marketers, event strategists and meeting professionals. But so are many other agencies.

SO, WHAT SETS US APART? HEART.

We'll dare to say it. You won't find another agency that provides the radical level of care, investment, support and FUN that we do. Ask our clients, ask our suppliers, ask our employees. We treat them all the same way.

IT'S THE KIND OF PLACE WHERE...

- The President ends staff meetings with the phrase, "Big love all around the room".
- 82% of employees have been with the company an average of 7 years.
- After 3 days working with the same team onsite 24/7, we add vacation days to travel together.
- After completing an event, clients ALWAYS ask Jeff how he managed to find such an incredible team.
- Employees say, "It's not really "work" when you're coming into BKA. The team that's in place is so awesome, you can vibe off of that energy and make something amazing"!

- We are a family. We've seen our teammates get engaged, rescue pets, run marathons, get married (marry each other!), have babies, beat cancer, grow from intern to VP.
- We were named one of the BEST PLACES TO WORK IN NYC by CRAINS!

BENEFITS

In addition to health insurance, dental, flex spending, 401K, a pension plan and tuition reimbursement, BKA has some non-traditional benefits that keep the team humming.

- Take the day on us to get your "stuff" together. Each year, BKA employees receive a fully-paid Financial Day of Health to stay in control of personal finances, from negotiating better credit card rates to drafting a will.
- Put the pedal to the metal. Employees can use the company car for personal use. Goodbye NYC, hello Hamptons!
- Professional development. Employees can apply to attend workshops, conferences and classes that keep them inspired and help them to do their jobs better.
- Lead by example. Employees are invited to apply for a coveted year-long customized curriculum that hones in on building their strengths as a leader.

WORK HARD, PLAY HARD

We've never met a margarita we didn't like so we take full advantage of the times when we are all in the same city at the same time to celebrate a successful run of events.

Every summer, we hightail it out of the city for our annual summit. It is the mac daddy of bonding over collaborative sessions, fabulous meals and experiences.

There's a lotta love at BKA, but don't get us wrong, we're also fiercely competitive. Whether card games, go carting, bocce ball, ziplining, karaoke, charades, this team competes like it's their job!

WE'RE HIRING!

Want to experience it all for yourself? We're hiring! Executive Producer, Creative Strategist, Digital Strategist, Production Designer.
