INC - CREDIBLE

INC. 5000 CONFERENCE

The annual Inc. 5000 Conference attracts successful business professionals from around the world for a weekend of immersive events and networking. Inc. Magazine's programming takes attendees from morning to night. Each day is packed with inspirational speaking engagements and breakout sessions, and by night these brilliant minds come together to celebrate the remarkable achievements of America's fastest private businesses. We designed a flexible stage set that seamlessly transitioned from event-to-event. Night one we integrated a Capital One sponsorship and threw an outdoor party, complete with a custom bar and supersized lawn games. To close out the conference, Inc. rolled out the red carpet for a black-tie gala where guests enjoyed a gourmet meal, cocktails, and an honoree presentation.
